ABOUT SAFE

Who are we?

Since 1953, SAFE® has been the leading producer of supplies & examining equipment to the philatelic and numismatic collector worldwide.

Founded in Germany as Schwäbische Albumfabrik, SAFE is trusted worldwide for its commitment to archival-quality preservation and innovative design. Since 1973, SAFE Publications, Inc. has been the exclusive North American distributor, growing to better serve collectors across the U.S. and Canada.

What began as a family business remains true to its roots today — combining German engineering precision with a personal touch and genuine care for collectors at every level. Every SAFE product is crafted with meticulous attention to detail, using pH-neutral, plasticizer-free materials that meet the highest archival standards. From handmade albums and elegant display cases to precision tools, our products offer unmatched durability and timeless style, protecting your collection for generations to come.

Whether you're just beginning your collecting journey or have trusted SAFE for decades, we're honored to support your passion. Contact our team at 877-395-SAFE to find the right storage system for your needs.

CLASSIC 14 RING ALBUMS

CLASSIC 14 RING ALBUM SYSTEM

This system is exclusively developed for SAFE albums and pages—our most versatile and trusted system. Choose from German-milled automotive-grade vinyl or luxurious genuine leather for a high-quality, elegant finish. All album styles on the following pages are built on this same trusted system — just choose your preferred materials and finishes.

Advantages of the Classic 14-Ring Album:

- Polished nickel-plated steel ring mechanism built to withstand heavy use and maintain a tight grip
- Unlike standard 3-ring binders, the 14-ring system prevents long-term page tearing
- Compatible with a wide range of 14-hole refill pages (see pages 7-12)
- Easy to open with light pressure
- Pages lay completely flat for smooth viewing
- Easy to add or remove pages at any time
- Includes two heavy-duty sheet lifters

Size: 12" x 12-1/2"H x 2" Spine

SAFE DUAL COUNTRY PAGES

Page Size:
10-5/8" x 11-3/4"H
Capacity:
Approx. 45 pages
Compatible with any SAFE 14-Ring Binder

No adhesives, no stress points, and no risk to paper, gum, or color — simply slide stamps into the clear pockets.

WHY COLLECTORS LOVE SAFE'S COUNTRY PAGES:

- No cutting mounts or using hinges — simply slide stamps into welded clear pockets that gently clamp them in place.
- Professionally designed layouts by expert philatelists ensure precise and attractive presentation.
- Full protection on all sides while remaining fully visible.
- Even pressure on each page prevents warping and stress on your stamps.
- Able to combine mint and used stamps on the same page. Used stamps can be mounted with a hinge directly on the illustrated page if desired.
- Additional blank pages available for duplicates or varieties.
- Designed to fit seamlessly in any SAFE 14-ring binder, so you can integrate pages effortlessly into your existing system

PATENTED MOUNT-FREE HINGELESS SYSTEM

Say goodbye to cutting mounts! Our Hingeless Country Page Sets make organizing and preserving your stamps effortless and elegant. Each page set is mount-free, allowing you to see both the front and back of your stamps without removing them.

Each page set includes:

1. Illustrated background page:

Pages have black-and-white images of each official stamp issue for the selected country. These illustrations serve as a visual guide to help you accurately position stamps. Printed on heavyweight, acid-free cream cardstock (60# cover weight), the pages are pH-neutral and designed by expert philatelists for precise placement and easy identification.

2. Crystal-clear protective overlay:

Features welded seams that create **secure "clamping" pockets** to gently hold each stamp in place—no glue or mounts needed. A heavy foil backplate adds stability and prevents stress when turning pages. Made from archival-quality polyester, completely free of plasticizers, PVC, and stearates.

Choose from a wide selection of countries—see the full list on the following pages.

Additional SAFE-Dual blank pages are available to expand your album (see page 11). These pages are compatible only with SAFE's Classic 14-ring binders (see pages 4-6), which hold approximately 45 pages each.

GARANT STOCK PAGES

THE HEAVIEST, CRYSTAL-CLEAR ARCHIVAL PAGES TO SECURELY DISPLAY AND PROTECT STAMPS, SETS, SHEETS, AND MORE.

14
RING
SYSTEM

Crafted from rigid, professional-grade polyester, Garant Stock Pages are completely free of plasticizers and acid. The crystal-clear welded strips (never glued) securely hold your collection in place while providing protection on both sides.

They're sized to seamlessly fit all Classic Albums (pages 4-6). Albums hold approximately 45 pages—plenty of space to bring your collection to life.

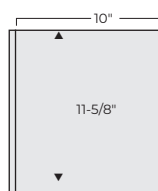

Page Size: 10-5/8" x 11-3/4"H

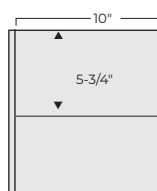

- Black Pages and White Pages: double-sided with crystal clear display on both sides
- Transparent Pages: includes black cardboard interleaves to separate pages
- Welded strips securely clamp stamps, preventing shifting
- Top-opening pockets for easy insertion and removal
- Heavy archival polyester ensures maximum durability

MAGNIFIERS

MAGNIFICATION GUIDELINES

Choosing the right magnification can make all the difference in how clearly you see fine details.

Different powers are suited to different tasks—lower magnifications offer a wider field of view for general reading, while higher powers reveal intricate features on coins, stamps, gemstones, and more. Use this guide (seen on the right) to help determine which SAFE magnifier is best suited to your needs as you browse the following pages.

Actual Size 5x 7x 12x

Power	Suggested Use
3x–5x	Reading and viewing larger areas
5x–7x	Examining stamps, postcards, banknotes, etc.
7x–10x	Inspecting jewelry, gemstones, and coins
10x–12x	Viewing intricate details on coins, currency etc.

EXPERT FRIENDLY SERVICE

Backed by over 65 years of industry experience.

Designed, developed and made in Germany.

Axel in the SAFE warehouse during the 1980s, surrounded by shelves of albums, cases, and tools ready to ship to collectors across North America. His dedication to quality and service helped lay the foundation for the family business we continue today.

Kurt introduces his father, Axel, to the possibilities of bringing SAFE into the digital age. Kurt sits at the computer while Axel looks on—a moment capturing the blend of tradition and innovation that has carried the family business forward for generations.

FAMILY-OWNED. COLLECTOR-FOCUSED.

In 1973, our founder, Axel, was simply a passionate stamp collector searching for the best way to protect his treasured collection. When he discovered SAFE's German-made albums and tools, their quality and precision spoke to him instantly. Determined to bring that same level of preservation to fellow collectors in North America, he founded SAFE Publications, Inc., becoming the exclusive U.S. and Canadian distributor.

Over the years, Axel's dedication and personal service built lasting relationships with collectors across the country. His young son, Kurt, grew up in the middle of it all—surrounded by stamps, albums, and the stories they carried. In time, Kurt inherited not just the business, but his father's passion for helping collectors preserve what they love most.

Today, SAFE remains true to its roots: German-crafted products paired with the care and attention only a small American family business can offer. From one collector to another, we are honored to help protect your collection for generations to come.
